Stung!

Jack Frost nips many a man who waits too late to get his Fall Top Coat.

Don't be stung. Our Top Coats are just heavy enough to blunt the edge of that cutting wind. Right to a dot in cut, shade and length. \$20 to \$25.

You can wiggle your fingers contentedly in our Walking Gloves. They're cut generously full. \$1.00 to \$2.50.

## We have made \$100,000.00

and more, in profits for our clients in the past month. Positive knowledge of exact conditions opens the book of coming prices to us. Our Daily Mining Market Letter conveys the invaluable information we thus secure in the form most clearly legible to the investor's understanding. We will make more than twice that much for our customers during this month of October. Our growth is due to the fact that we know that it is best for us to give our customers the squarest of square deals. It pays us to make your investments pay you. If you missed September's rich profits to mining investors, get in and reap your share of the October harvest. Our Daily Mining Market Letter opens the door to you to financial success and we send it to you free for the asking. The greatest bargain purchase on the New York or Jersey City curb is Cobalt Contact during its present temporary weakness, which has been caused by heavy profit-taking by speculators who have trebled and quadrupled their money. If you can buy it at around \$1.50 buy it in large blocks. Wire your orders, collect, and let your remittance follow by first mail.
